WENDY DAVIS – BASILDON DISTRICT

In the face of low level crime, Wendy has pulled the Neighbourhood Watch together in Langdon Hills, Basildon, and energised the community to watch out for each other, and report suspicious activity.

Wendy has promoted her Neighbourhood Watch scheme, with meetings at the local pavilion and sends out regular updates from the Police teams.

She has also set up a Facebook page for the local community to report and comment on, which has helped the Police too.

Wendy is very approachable, and helps out, in any way that she can.

GILLIAN SANDERS FOBING, THURROCK

Gillian has improved community cohesion by inspiring others to be proud of their surroundings, while at the same time, performing a valuable service, to the village of Fobbing, by keeping it tidy and litter free.

Gillian has started something which we hope, will continue into the future, bringing more and more residents into the community effort, all under the auspices of Neighbourhood Watch.

BRONZE AWARD

DAVE PHILLIPS – BRENTWOOD DISTRICT

Dave is disabled and has other health problems, so he cannot work in the usual Co-ordinators way.

However, he more than makes up for this, by making full use of Social Media, to inform and advise.

Apart from receiving and passing on details from the usual channels, he is forever searching for other useful advice and guidance, from every possible source, so that residents of the Borough are kept updated and informed.

Dave does not just co-ordinate for 'quite a few neighbours,' but channels his efforts through Social Media, and over 5,000 residents will be instantaneously informed about a situation as it arises, and, or, receive up to date Crime Prevention advice.

Dave has been challenged in life, and faces this challenge head on, and is a credit to his Community and Neighbourhood Watch

SILVER AWARD

GOLD AWARD

SABI KHERA CHIGWELL – EPPING FOREST DISTRICT

Sabi has worked hard to raise the profile of Neighbourhood Watch, and is working closely with Chigwell Parish Council, who will be funding her efforts, and with the Residents Group who are also promoting NhW.

Sabi's enthusiasm is second to none, as she continues to put Chigwell, well and truly back on the NhW map.

In Grange Hill, there was no NhW presence, and following a meeting Sabi organised in April, there are now 30 new NhW co-ordinators in that area.

Sabi offers mentoring for new co-ordinators, as well as, WhatsApp classes, so that road co-ordinators can keep in touch with their members quickly, should something occur in their road.
